RE: PRECAUTIONARY BOIL WATER ADVISORY ISSUED TO A PORTION OF THE SOURIS WATER SYSTEM HAS BEEN RESCINDED

Dear Ms. Parham:

Drinking Water Officer, Christine Gerardy has advised me that the Souris water system has met all conditions for rescinding the precautionary boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the precautionary boil water advisory that was placed on a portion of the Souris distribution system on March 3, 2017 (4th Ave west - from 1st St south to 4th St south, 5th Ave west - from 1st St south to 4th St south, 2nd St south - from 4th Ave west to Crescent Ave west, 3rd St south - from 4th Ave west to 7th Ave west, 4th St south- from 4th Ave west to 7th Ave west, businesses on Crescent Ave west (Lindsay Rowe Hair Design, Plaindealer)).

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Christine Gerardy, Regional Drinking Water Officer at 204-570-1405.

Sincerely,
