**RE: PRECAUTIONARY BOIL WATER ADVISORY ISSUED TO A PORTION OF THE SOURIS
WATER SYSTEM HAS BEEN RESCINDED**

Dear Ms. Parham:

Drinking Water Officer, Christine Gerardy has advised me that the Souris water system has met all conditions for rescinding the precautionary boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the precautionary boil water advisory that was placed on a portion of the Souris distribution system on August 31, 2017 (South of Aspen Ave, East of West Street, North of Fourth Ave and West of First Street).

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Christine Gerardy, Regional Drinking Water Officer at 204-570-1405.

Sincerely,

Dr. Amy Frykoda
