"We loved the versatility the Ag Grounds gave us as our wedding venue. Open spaces & treed areas were all well maintained. Very convenient to hold everything right there. Lots of parking. It was out-of-the way & private, and yet still in town. We were very pleased with the local services we used, Peloquin Event Rentals, Sunflower Tea House, Glitter & Grace and Good As Gold Living"

"We would like to thank the Souris & Glenwood Memorial Complex for the use of the hall and the amazing staff it provided, it was a great place to hold our wedding. Also a huge thanks to the local flower shop, Plaza Petals, who we trusted whole heartedly with our flowers and who needed no guidance to create what they did for us. They went above and beyond! And it comes as no surprise we also hired a local photographer, Thera's Photography, also one of the best decisions we had made for our wedding day! Her photos speak for themselves and we were honoured to have her by our side to capture the special moments of our wedding day! Thank you Souris for your hidden yet amazing gems you provided us! If we could, we would do it all over again in Souris"
Brandy & Paul McGean, September 2016
