

FRANK & WOOD IMPLEMENTS

This building was built in 1891 and used by Frank and Wood Implements until 1898. Numerous owners occupied this area including the Lycoum Theatre from 1925-29. In 1929 it became the W. Eckel Bakery and has remained a Bakery ever since. Some of the families who have owned this Bakery following the Eckel's are: J. States Bakery; De Vries Bakery; J. McDonald Bakery; J. Alexander Bakery; L. Dandridge Bakery; Raelof Kuipers Bakery; Randolph's Bakery, Robert Riddle Bakery; Don & Deanna Lausman. Today the Bakery is owned by the Minary Family, and we continue to have the delicious bakery odors wafting through our town.
